

Ferro Pharma GmbH serves customers around the globe with both established and the latest APIs (active pharmaceutical ingredients), FDFs (finished dosage forms) as well as with starting materials for the BioTech industry. Our office is in Hamburg, right in the heart of the city.

Ferro Pharma GmbH is a family business in the second generation bursting with innovative ideas and projects. We enjoy working together in a small and highly motivated team. We encourage and support every team member in developing their skills and personality – as we are truly dedicated to all our team members' careers and wellbeing!

Currently, we are looking for a

Logistics Manager for APIs (m/f)

You have worked or are currently working in order processing and logistics of APIs and/or are assisting in logistics services for APIs.

Your Qualification

- Experience in order processing and logistics for active pharmaceutical ingredients
- Impressive performance with a minimum of two years' experience in the generic pharmaceutical industry
- Knowledge of wholesale and foreign trade (sea + air freight)
- Ideally experience in working with Salesforce (or another advanced CRM)
- A true team player with very good analytical skills
- Ability to interact effectively with customers and suppliers, demonstrating the awareness of their needs and responding with the appropriate action
- Excellent written and oral communication skills across diverse cultures, including fluent knowledge of the English language

Come and join our energetic team. This job is in Hamburg, Germany. If you are interested, please do not hesitate to apply!
