

## WHAT WE DO

Ferro Pharma GmbH serves customers around the globe with both established and the latest APIs (active pharmaceutical ingredients), FDFs (finished dosage forms) as well as with starting materials for the BioTech industry. Our office is in Hamburg, right in the heart of the city.

## WHAT MAKES US SPECIAL

We are a pharmaceutical company, working closely together as a team. Developing ideas into successful projects is what drives us. We work with great freedom and we always run the extra mile.

We encourage and support every team member in developing their professional profile and personality – as we are truly dedicated to all our team members' well-being!

## JOB OFFER

### **FDF Supply Chain & API Logistics Manager (m/f)**

## YOUR PROFILE

You have worked or are currently working in FDF supply chain management and are experienced in API order processing and logistics.

- Experience in order processing and logistics for active pharmaceutical ingredients
- Knowledge of wholesale and foreign trade (sea + air freight)
- Ability to understand and manage complex projects
- Minimum of two years' experience in the international pharmaceutical industry
  
- You are a team player with very good analytical skills and you are open in communication with both, your colleagues as well as your customers and suppliers.
- Excellent written and oral communication skills across diverse cultures, including fluent knowledge of the English language
- Ideally experience in working with Salesforce (or another advanced CRM)

## CONTACT

Come and join our energetic team. This job opportunity is in Hamburg, Germany and your contact person is Verena. If you are interested, please do not hesitate to apply!
