

Ferro Pharma GmbH serves customers around the globe with both established and the latest APIs (active pharmaceutical ingredients), FDFs (finished dosage forms) as well as with starting materials for the BioTech industry. Our office is in Hamburg, right in the heart of the city.

Ferro Pharma GmbH is a family business in the second generation bursting with innovative ideas and projects. We enjoy working together in a small and highly motivated team. We encourage and support every team member in developing their skills and personality – as we are truly dedicated to all our team members' careers and wellbeing!

Currently, we are looking for a

Sales Support LatAm (m/f)

- You are fluent in Spanish and English?
- You have worked or are currently working as sales assistant or sales support, ideally in the pharmaceutical industry?
- You are looking for a positive work environment?

In this role, you will be responsible for providing support to our sales managers working in the territory Latin America. You will follow-up with customers and suppliers, and process new sales leads and orders. You will also provide administrative support including the preparation of sales documents in close cooperation with the logistics department.

Your Qualification

- Love for the Latin American continent
- Excellent written and oral communication skills across diverse cultures, including fluent knowledge of the Spanish and English language
- Ideally knowledge of the Portuguese (Brazilian) language
- Ability to interact effectively with customers, demonstrating the awareness of their needs and responding with the appropriate action
- Ideally, experience in sales of active pharmaceutical ingredients and finished dosage forms
- A true team player with very good analytical skills and attention to details

Come and join our energetic team. This job is in Hamburg, Germany, and involves regular travelling to Latin America.

If you are interested, please do not hesitate to apply!
